

The background of the entire page is a photograph of a sunset or sunrise. The sky is filled with dark, moody clouds in shades of blue and grey, with a bright orange and red glow from the sun just below the horizon. In the foreground, the dark silhouettes of trees and bushes are visible against the bright light of the sun.

## THE MIDLAND SYMPHONY GUILD

### A BRIEF HISTORY

The Midland-Odessa Symphony and Chorale (MOSC) was founded in 1962 when the then-modest individual orchestras of the two cities were combined under the leadership of Dr. Lara Hoggard. The MOSC currently includes a symphony of over 90 resident professional musicians and is ranked by the American Symphony Orchestra League as a metropolitan Orchestra. Considering that metropolitan orchestras are typically supported by an average population of 500,000 or more, Midland-Odessa's combined population of 200,000+ is a remarkable statistical tribute to this young orchestra. The MOSC now holds the distinction of being the largest professional performing arts organization in West Texas.

A special combination of organizational skills and optimism helped to ensure the MOSC's success. These talents were readily personified in the two founders of the Midland Symphony Guild, Mrs. J. Harvey Herd (Harriet) and Mrs. J. Wilmont Hunt (Billie). As board members of the newly formed Midland-Odessa Symphony and Chorale Association in 1962, the two women were the first to foresee the need for a strong women's auxiliary to provide support services and raise funds for the Symphony. Mrs. Herd and Mrs. Hunt, along with fellow Guild charter member Mrs. W.H. Gilmore, Jr. (Betty), formulated the Midland Symphony Guild's bylaws with a limited membership of 200. The Guild's first meeting was held in Mrs. Herd's home in the Spring of 1963. At this meeting, Mrs. Hunt was elected Chairman of the Board and Mrs. Sam Cobb (Betty) was selected the Guild's first President. Mrs. Hunt was responsible for establishing Midland's Symphony Deb (now Belle) Program, while Mrs. Herd was the first chairman of the prestigious National Young Artists Competition. Another Guild charter member, Mrs. Raiford H. Burton (Ruth) was the primary force in the funding and construction of the Symphony's rehearsal hall.

Early Guild fund-raisers ranged from country bazaars to fashion shows and from formal balls to a bullfight held one year at the Ector County Coliseum. Now entering its 54th year, the Midland Symphony Guild's open membership boasts approximately 130 Active Members, 40 Members-in-Training, 55 Patron Members and 150 Symphony Belles. Our Symphony Guild program is second in size to the Houston Symphony League. Programs founded by our Symphony Guild include the Symphony Belle Program, a Members-in-Training Program, and an outstanding National Young Artist Competition. Our Gala, first celebrated in 1979, is a two-day event which supports our Symphony and Chorale financially, presents our Senior Belles and introduces our Freshman Belles.

It is estimated Guild members yearly devote more than 21,000 hours of volunteer service to the MOSC. Membership in the Midland Symphony Guild remains an honor and a privilege as the contributions we provide continue to be a vital part of the future success of the Midland-Odessa Symphony and Chorale.
